With the document **N 4084,** I launched, in accordance with the CEN rules, a call for candidate(s) for the convenorship of the CEN/TC 33/WG 4 “Building Hardware” due to the resignation of the current convenor, Inge Lidén.

At the conclusion of the consultation, I have received no more candidacies than this of Håkand Hedlund.

The curriculum vitae of Håkan Hedlund is attached to the draft Decision below.

We proceed now by correspondence to the formal election of:

- Mr. Håkan Hedlund (Sweden/SIS, Secretary)

CEN/TC 33 Draft Decision D 1448c/2021
Per correspondence
Issue date: 2021-08-24
Deadline: 2021-10-05

SUBJECT: **CEN/TC 33 – *Appointment of the new Convenor of Working Group 4***

DRAFT DECISION 1488c taken by CEN/TC *33* on 2021-10-dd

Subject: CEN/TC *33* - Appointment of WG 4 Convenor

CEN/TC *33, Doors, windows, shutters, building hardware and curtain walling*

- considering the CEN/CENELEC Internal Regulations - Part 2, clause 3.4.2, which lays down the rules for the appointment and responsibilities of a Working Group Convenor;
- noting the nomination as evaluated by the Technical Committee Secretariat;
- noting the commitment of the applicant to his responsibilities and duties;
- noting the commitment of the professional standardization support from SIS (Secretariat);
- noting the BT Resolution C24/2012;

decides to appoint Håkan Hedlund (Sweden) as Convenor of Working Group 4, Building Hardware for a period of six years, starting on 2021-10-06.

The decision was taken by *unanimity or simple majority with N positive votes, N negative vote(s) and N abstention(s).*

Proposed answers on Draft Decision 1448/2021

☐ We support the nomination of Håkan Hedlund (Sweden/SIS, Secretary)

☐ We abstain

☐ We don't support the nomination of Håkan Hedlund
